## A Fresh Start

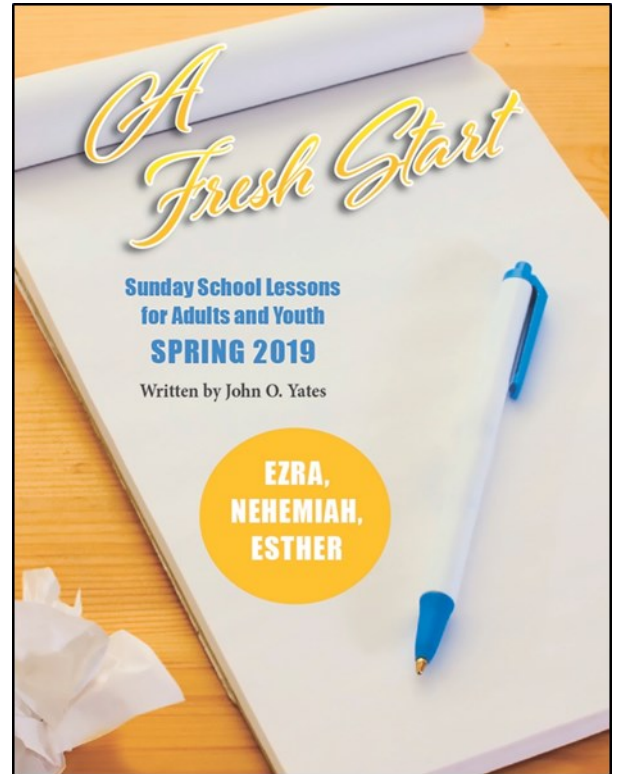

Have you ever needed a fresh start? You've made some mistakes – perhaps some serious mistakes – and what you really want is to wipe the slate clean and start all over again.

We can't ever completely escape the consequences of our bad choices, but the Lord always seems to offer us another opportunity to put the past behind us and get **A Fresh Start**.

That's what He provides for sinners when they turn to Jesus Christ, and He continues to offer Christians opportunities for a new beginning.

In the Spring 2019 quarter we are going to learn about some people who got a fresh start. We'll study **Ezra** and **Nehemiah**, in which we'll learn about the Jews whom God delivered from captivity in Babylon. Because of their sin they lost their Temple and their homeland, having to live as captives in a pagan land. But God was gracious to them, using amazing means to give them **A Fresh Start** back in their land. Similarly, God used **Esther** to provide **A Fresh Start** for the Jews living in Persia.

This Sunday you will receive your new *Sunday School Member Quarterly* on the books of Ezra, Nehemiah, and Esther. I hope you will plan to attend Sunday School each week to learn about ways God provides His people with **A Fresh Start**.

## College & Career

This Sunday night after the evening revival service the College & Career group will come to the Yates home for a time of food, faith, friends, and fun. I'm looking forward to it! We're also planning for a College & Career weeknight Bible study. More details about that soon ...

Who can you invite to Sunday School this week?

Brother John

## ***NO ONE EVER CARED FOR ME LIKE JESUS***

***Charles F. Weigle***

***I would love to tell you what I think of Jesus  
Since I found in Him a friend so strong and true;  
I would tell you how He changed my life completely—  
He did something that no other friend could do.***

***All my life was full of sin when Jesus found me,  
All my heart was full of misery and woe;  
Jesus placed His strong and loving arms around me,  
And He led me in the way I ought to go.***

***Every day He comes to me with new assurance,  
More and more I understand His words of love;  
But I'll never know just why He came to save me,  
Till someday I see His blessed face above.***

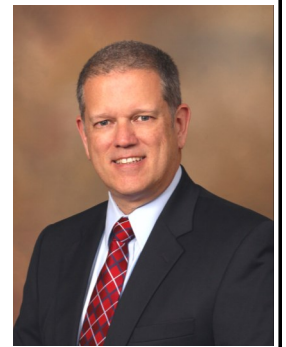

### ***Chorus***

***No one ever cared for me like Jesus,  
There's no other friend so kind as He;  
No one else could take the sin and darkness from me—  
Oh, how much He cared for me!***

THANK YOU to the 97 ladies who were in the choir loft on Sunday night. You sounded heavenly and the music was a great blessing. I do believe our Lord was honored by what you offered to Him in song. Never did I imagine that the words of this great hymn would be translated into testimony as several women spoke of our Lord's goodness and care. It was a wonderful evening of music and sharing. Praise to the Lord!

There is no doubt that some of the ladies that sang on Sunday night have been in the Chancel Choir before. I would love to have you come back. There are others that have thought about joining the choir but have not given it a chance. Please visit with us Wednesday nights in the Choir room at 7:00 p.m. We are starting to work on music for a brand new Choir book to be released by Prism Music later in the spring. Come and visit with us!

We are 32 days away from D-Now 2019 and we need your prayers.

In case you are not familiar, D-Now stands for Discipleship Now, which is a common event held throughout the nation's churches. The event takes place over a weekend where our Youth spend time entrenched in God's Word on a certain topic. The goal is to leave the weekend with a clear understanding of God's position, commands and calling on the given subject, per the Bible.

Like I said, **we need your prayers**. Anytime we take a bold stance to understand more of God's calling on our lives you can bet Satan will throw his fiery darts our way. And he would love nothing more than to keep young people away from this event.

Youth Director

So be a prayer warrior for us. Pray our Youth will not only attend but also bring a friend. Pray that the teachers and small group leaders will dig into the Word and with His help bring it to life for our students. Pray that His message brought forth from His book will “stick” with our Youth and better prepare them for life’s twists and turns.

The lessons for D-Now 2019 on March 15-17, are designed to last a lifetime. Start praying now.

Keep the Faith!!
