F.A.I.T.H MUSIC KIDS

FOREVER AN INSTRUMENT TUNED FOR HIM

Preschool – 5th Grade

Tommie and Christina Ellis will be leading a Mini Kids Music Camp during the summer on Wednesday night beginning June 1st. The children will meet each week at 6:00 PM. This camp will end on July 27th.

They will be using music to instill a love for scripture and worship through:

LEARNING + LISTENING, SINGING + SEEKING, AND PRAISING + PLAYING

Why? Because we want to teach them to hide God's Word in their hearts and to be able to use what they learn, songs and scripture, in their time of need using their shield of FAITH.

Kids will earn points for attendance, saying verses, and other similar things, and at the end we will have a celebration and build a banana split.

It is going to be a fun summer at Morningside for kids!

June 1st is Wednesday, and it is also National Go Barefoot day!! Who knew??!! So please understand that you might find it hard to get your student to put on their shoes Wednesday as we are planning to celebrate National Barefoot day by going shoeless for the day- including at Wednesday night Youth Group.

Going without shoes will serve as a reminder that worldwide 300 million children have inadequate or no shoes at all. For several weeks now in the Youth group we

have talked about culture and community and just how each of us play a role in God’s plan. Part of that plan involves us showing our love for the Lord by way of our love for others.

I have also challenged the Youth that instead of just talking about what we could do to help others, let’s put our words into action to illustrate our care and concern for others. The non-profit group Soles4Souls work to distribute used shoes to needy children as well as programs that develop entrepreneurs. This is all possible because others donate used shoes which in turn helps in “going green” by keeping material out of landfills and prolonging material lifecycles.

Our goal for this mission minded project is a simple 100 pairs of donated shoes. As of this writing we are at about 80 pairs. So, we are close to meeting that goal. Wednesday is the deadline. So, rummage through the closet, ask your neighbors even get the grandparents to help. If you have an old pair of shoes with no holes in the soles – We Want Them!!

And keep your shoes off Wednesday by joining us in celebrating National Barefoot Day!!

Keep the Faith.
