

**THE VISION**

September 27, 2022

John Yates  
Minister of Education

**Thank you for your prayers and donations for the Impact Conference!** The students and young adults were blessed with a rich time of worship, Bible preaching, and fun. A total of **33 students**, representing Morningside and **7 other churches**, attended the conference. Brother David sang down the glory through musical worship, and Josh Johnson preached outstanding messages from God’s Word on the following topics:

“*One Way*” – John 14:1-6

“*Learning to be Faithful*” – 2 Peter 1:1-11

“*Bible Basics for Believers*” – Proverbs 3:1-4

Thank you to “Miss” Beth and her team for providing the outstanding meals, and to Madison Tew for running sound and screens and leading the group in fun and unusual games. I also want to thank our College & Career leaders and students for their many hours of planning and preparation. Thank you to those who wrote encouragement notes and donated sweet treats. Thanks also go to Rusty Harrell and Kelley North for leading the breakout sessions, and to Ward Holton for making sure we were safe. I’m also especially grateful to our Pastor and Elders for their guidance, prayers, and support. The Impact Conference was truly a blessed time!

Two national events, one created by youth and both for youth, start to unfold this week. On Wednesday, September 28, the annual “See You At The Pole” (SYATP) event takes place across the country. This event was started by students in Texas who realized that their schools, students, staff, and faculty needed prayer. So, they took it upon themselves to set a time and place to meet and bathe their campus in prayer. From that humble beginning a national event was born. Most every school has some sort of SYATP observance and I have been encouraging our youth to find out the details for their school and to get themselves involved. Our schools need prayer and our youth need to realize that their prayers can move mountains.

“Nipper”  
John Nitschke  
Youth Director

Next week on Thursday, October 6, the national “Bring Your Bible To School” (BYBTS) day will be held. It really is that simple - just take your Bible to school. But God's Word in your student's possession inside a school can be a powerful force for awakenings and revival.

Please encourage your student’s participation and reinforce the importance of these simple events which can lead our students into deeper faith-based involvements and commitments.

Keep the Faith!!

Brother Nipper
