# D-Now 2024

The weekend of February 23 proved to be a faith filled weekend of fun, fellowship, and insight as to how world identifies us. "Un-identification" was the theme for this year's annual D-Now weekend. The Youth were challenged to "un-identify" with the labels of the world and to seek their true lasting identification which can only be found in a personal relationship with Jesus Christ. Thirty-three students participated with over 15 volunteers chaperoning, leading discussions, playing games and helping the students discover their "true identity."

Thank you to all that helped serve, prayed over, and made the 2024 D-Now a success. The seeds are planted for the shade trees of tomorrow. To God be the glory!!
